Subject: SELC, et al., letter re: TVA noncompliance with federal CCR Rule

Dear Commissioner Martineau:

Please find attached a letter alerting TDEC to several violations of the federal Coal Ash Rule by the Tennessee Valley Authority. Together with Earthjustice, Environmental Integrity Project, Sierra Club Beyond Coal Campaign, Sierra Club Tennessee Chapter, Southern Alliance for Clean Energy, and Tennessee Clean Water Network, we urge TDEC to exercise its authority under the Commissioner's Order to immediately take action to prevent TVA from moving forward with closure of coal ash storage and disposal areas in Tennessee until such time as TVA complies with the minimum requirements of the federal Coal Ash Rule.

You will find the documents referenced in the attached letter in the Sharefile link below:
